INSTRUCTIONS:

- A. Complete items 1-10 on this form. The Grants Administration Unit will facilitate completion of items -14.
- B. Attach three (3) sets of Exhibits A, B, and C.
 Exhibit A---List of applicants (alphabetical order) recommended for funding, the amount requested, the amount recommended, and a three to five sentence abstract of the proposal.
 Exhibit B---List of applicants (alphabetical order) not recommended for funding and the amount each requested.
 Exhibit C---Map of Michigan indicating the location of recommended applicants.
- C. Attach the grant award letters for the Superintendent's signature and the non-award letters for the Service Area Director's signature. The letters should be submitted in the same order given in Exhibit A and/or B. For each final Grant Award Notification letter, a Grant Award Notification form (yellow sheet) also needs to be submitted for the Superintendent's signature.
- D. Transmit Grant Award Approval Form (pink), attachments, and letters to the Grant Administration Unit.

**2003-2004 Mandated Activities
Under Individuals with Disabilities Education Act (IDEA), Part C**

1. *Early On*® Comprehensive System of Personnel Development (CSPD)

<u>Recipient</u>	<u>Previous Award</u>	<u>Additional Award</u>	<u>Total Award</u>
Clinton County RESA	\$1,143,436	\$543,500	\$1,686,936

Purpose

Federal requirements for Part C include a Comprehensive System of Personnel Development (CSPD). This grant is designed to provide technical assistance to local interagency teams and to support locally driven service area improvement plans as part of the monitoring and local interagency review process. Regional facilitation of training, technical assistance, and needs assessment will be coordinated through this grant. Facilitation of preservice training began development in FY 2001-2002.

A centralized database of personnel development resources, experts, and special projects will be maintained to facilitate the coordination of technical assistance and training functions; information regarding all ongoing activities will be available electronically statewide. Dissemination of all technical assistance information, in both hard copy and electronic formats, will be coordinated through this grant.

Federal requirements mandate that the Lead Agency monitor to ensure that an early intervention system provides eligible infants and toddlers services in their natural environments. To meet this mandate, this grant will facilitate review of *Early On* files as part of the Part C of IDEA monitoring system.

These additional funds will be used to purchase equipment and provide training to the Intermediate School Districts (ISDs) to evaluate the vision and hearing of children under three years of age. Early identification of vision and hearing problems in children under three years of age will enable ISDs to provide appropriate early intervention to prepare children for school.

This project was competitively bid during FY 2001-2002. This is the third year of a five year grant.

2. Education Information Network

Recipient

Eaton ISD

Amount Recommended

\$50,000

Purpose

The project prints and disseminates numerous publications developed by the Office of Special Education and Early Intervention Service and related educational groups. The project maintains a comprehensive database that serves as the resource for an electronic and print resource directory of Michigan and national service providers for individuals with disabilities. Also, the Education Information Network runs the CENMI.ORG website.

These funds will support the preparation and dissemination of information and materials essential to the success of the *Early On* program. Also included is the establishment and maintenance of the Public Awareness, Information and Referral (PAIR) website.

This project was competitively bid during the FY 2002-2003. This is the second year of a three to five year grant.

Grand Total Amount Recommended

\$1,736,936
